**2016 Operation Report**

In 2016 we continued growing our business to a record high, sales increased by 3.3% from previous year. The sales growth was primarily driven by strong demand of InP epi wafer products such as APD and PIN for cloud computing and data center application. InP products sales percentage increased to 35% from 24.9% of prior year. Sales of GaAs wafers were flat in 2016; their percentage lowered to 48.8% from 51.8% of 2015. Sales mix of above 2 product categories reflected a better product mix. Total sales percentage from defense contracts, GaSb based infrared epi wafers, and other hardware business was 16.6%, down from 23.3% of 2015. The main reason for slower sales was due to reduced defense contract grants in 2016. We believe higher portion of commercial business would be beneficial to the company in the long run. Our new factory building had its ground break in September 2016; the building project is scheduled to be completed in 3<sup>rd</sup> quarter of 2017. We will install more of our production systems in new factory building afterwards, and the additional production capacity should be helpful to better 2017 operation results.

**1. 2016 Operation Report**

**1.1 Operation Results:**

The consolidated income for 2016 was up by 3.3% to NT\$885,355,000. Net income after tax for 2016 was NT\$103,719,000, equivalent to 11.7% profit margin. The overall after tax income was slightly down by NT\$8,992,000 compared to prior year result. After-tax earnings per share for 2016 was NT\$2.88.

**1.2 Profitability:**

Gross margin of 2016 was 33.5%, 4% down versus 37.5% of previous year. Reduced gross margin largely caused by upfront spending for operation expansion. Research & development (R&D), and operation expenses increased by NT\$14,850,000 over 2015. Operation profit was NT\$145,093,000, down NT\$39,739,000 against prior year. However, 2015 had NT\$70,710,000 loss due to loss on financial asset at fair value through profit or loss, so 2016 income before income tax was resulted higher than 2015 and reached record high of \$NT\$149,367,000.

**1.3 Financial Position:**

Regarding financial and cash management of 2016, at year end Company's current assets to total assets ratio decreased to 35% from 56% previous year due to transfer fund of NT\$326,748,000 to long term certificate of deposits and accounting for that was recognized as other noncurrent assets. Overall capital resource was not reduced. Liabilities to assets ratio remained low even after additional recognized deferred tax liabilities of NT\$58,678,000. In summary, our financial position was consistently well managed.

#### 1.4 Research and Development :

2016 R&D expenses amounted to NT\$30,558,000, NT\$6,210,000 higher over prior year. The R&D project focused on optimizing performance of high speed InP-HBT, development of epi wafers for 5G communication, qualification of various types of vertical-cavity surface-emitting laser (VCSEL) wafers, and qualification of InP APD epi wafers. Company also invested on technology of epi ready InSb substrates manufacturing.

## 2. 2017 Plan and Strategy

In 2017, Company will continue implementation of quality management. At the same time explore sales to international markets with plans as below:

- Coordination schedule for new plant construction and capacity expansion, and the added capacity will be prioritized in order of products demand schedule and their potential upside to timely secure the market.
- Installation of dedicated production system for VCSEL epi wafers to speed up qualification process and improve production efficiency.
- Build wafer inventories for InP based high-speed (10G to 25G) PIN, and APD wafers to shorten delivery deadline and lower production costs.
- Secure commercial order of GaSb, InSb based infrared epi wafers. One approach is to provide high quality epi ready GaSb and InSb substrates to attract more infrared epi wafer business.

## 3. Business Outlook

For 2017 operation, Company will install more MBE systems in new factory upon finishing all construction works. Our equipment engineer and production teams have accumulated technical skills of all MBE technology know how so Company is confident to provide top quality epi wafers for each product line. Given the promising industry grow in 5G applications, cloud computing, anti-collision radar, internet of vehicles, and virtual reality sensors. ## Report of Independent Accountants

To the Board of Directors and Shareholders of IntelliEPI Inc. (Cayman)

### ***Opinion***

We have audited the accompanying consolidated balance sheets of IntelliEPI Inc. (Cayman) and its subsidiaries (the “Group”) as at December 31, 2016 and 2015, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2016 and 2015, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the “Regulations Governing the Preparation of Financial Reports by Securities Issuers” and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission.

### ***Basis for opinion***

We conducted our audits in accordance with the “Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants” and generally accepted auditing standards in the Republic of China (ROC GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Professional Ethics for Certified Public Accountants in the Republic of China (the “Code”), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Key audit matters***

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

## **Accuracy of income tax calculation**

### Description

Please refer to Note 4(20) for accounting policies on income tax.

The main operating entity of the Group is the subsidiary, Intelligent Epitaxy Technology, Inc. (IET-US), an American company. Under U.S. tax laws, the Internal Revenue Service (IRS) also considers the parent company, IET-Cayman, an American company. Thus, IET-US and IET-Cayman are required to file a joint tax return with the IRS. Management needs to calculate and recognize tax effects based on the tax laws substantively enacted at the balance sheet date.

Given the differences in the tax laws between the U.S. and Taiwan, and that the Group is required to comply with the provisions of the Alternative Minimum Tax in the U.S., the tax calculation was complex and the income tax expense for the year ended December 31, 2016 of NT\$ 46 million was material. Thus, we consider the accuracy of income tax calculation a key audit matter.

### How our audit addressed the matter

We performed the following audit procedures on the above key audit matter:

- A. We assessed the accuracy of parameters used in income tax calculation table and basic income tax calculation table, verified the parameters against the records, discussed operations with management, and assessed the completeness of aforementioned calculation tables;
- B. We checked whether the income tax was consistently calculated and recognized in accordance with the U.S. income tax laws;
- C. We obtained the latest supporting documents pertaining to payments to, and receipts from, tax authority, compared the difference between estimates of prior period and actual amount filed, checked whether there was any investigation and adjustment by tax authority, and assessed whether the difference adjustment, if any, was appropriate; and
- D. We obtained relevant correspondences with the tax authority to determine whether there are any matters that will impact the tax calculation and ascertain whether these items have been properly considered and presented.

## **Impairment assessment of property, plant and equipment**

### Description

Please refer to Notes 4(10) and (13) for accounting policies on acquisition and subsequent measurement of property, plant and equipment, and Note 5 for the uncertainty of accounting estimates and assumptions.

As of December 31, 2016, the carrying value of property, plant and equipment of IET-US was NT\$640 million (41% of total assets). The impairment assessment involves several assumptions such as identification of cash generating unit, determination of discount rates and expected growth rate, and the use of cash flow projections based on financial budgets prepared by management covering a five-year period for estimating future cash flows. As the estimates are subject to management's judgement and uncertainty, the recoverable amount and the impairment loss may be significantly affected. Thus, we consider the impairment assessment of property, plant and equipment of IET-US a key audit matter.

### How our audit addressed the matter

We performed the following audit procedures on the above key audit matter:

- A. We assessed the methodology used by management in estimating future cash flows, and ascertained whether the cash flows for the next 5 years are consistent with the budget approved by the Board of Directors and are in line with the Group's long-term objectives;
- B. We discussed with management the current operations of the Group and compared actual performance against the budget to determine whether budget forecast prepared by management is realistic;
- C. We assessed the reasonableness of assumptions used with respect to expected growth rates and discount rates in assessing impairment valuation, including procedures as follows:
  - (a) We compared expected growth rates with historical data, economic and industrial forecasts; discount rate with rate of returns of similar assets in the market, and examined the cost of capital assumptions of each cash generating unit, including comparing the weighted average cost of capital with that in the industry, as well as cost of equity capital with Beta coefficient of the industry and market risk premium.
  - (b) We examined the setting of parameters and formula used in performing the impairment assessment.

- D. We assessed the future cash flow sensitivity analysis prepared by management based on the assumptions used with respect to expected growth rates and discount rates, and confirming whether management has considered the potential impact of reasonably possible changes in these key assumptions.

***Responsibilities of management and those charged with governance for the consolidated financial statements***

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the “Regulations Governing the Preparation of Financial Reports by Securities Issuers” and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the Group’s financial reporting process.

***Auditor’s responsibilities for the audit of the consolidated financial statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ROC GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ROC GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- A. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- B. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- C. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- D. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- E. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- F. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

- 19.1 Subject to any rights or restrictions attached to any Shares, every Member who is present in person or by proxy shall have one vote for every Share of which he is the holder.
- 19.2 No person shall be entitled to vote at any general meeting or at any separate meeting of the holders of a class of Shares unless he is registered as a Member on the record date for such meeting nor unless all calls or other monies then payable by him in respect of Shares have been paid.
- 19.3 Any objection raised to the qualification of any voter by a Member having voting rights shall be referred to the chairman whose decision shall be final and conclusive.
- 19.4 Votes may be cast either personally or by proxy. A Member may appoint only one proxy under one instrument to attend and vote at a meeting.
- 19.5 A Member holding more than one Share is required to cast the votes in respect of his Shares in the same way on any resolution; provided that a Member who holds Shares for the benefit of others may, to the extent permissible by the provisions of the Statute, cast the votes of the Shares in different ways in accordance with the Applicable Public Company Rules.
- 19.6 If a general meeting is to be held in Taiwan, the Directors may determine in their discretion that the voting power of a Member at such general meeting may be exercised by way of a written ballot or by way of an electronic transmission. If a general meeting is to be held outside of Taiwan, the methods by which Members are permitted to exercise their voting power shall include written ballot or voting by way of an electronic transmission. Where these methods of exercising voting power are to be available at a general meeting, they shall be described in the general meeting notice given to the Members in respect of the relevant general meeting, and the Member voting by written ballot or electronic transmission shall submit such vote to the Company two days prior to the date of the relevant meeting. In case that there are duplicate submissions, the first received by the Company shall prevail. A Member exercising voting power by way of a written ballot or by way of an electronic

transmission shall be deemed to have appointed the chairman of the general meeting as his proxy to exercise his or her voting right at such general meeting in accordance with the instructions stipulated in the written or electronic document; provided, however, that such appointment shall be deemed not to constitute the appointment of a proxy for the purposes of the Applicable Public Company Rules. The chairman, acting as proxy of a Member, shall not exercise the voting right of such Member in any way not stipulated in the written or electronic document, nor exercise any voting right in respect of any resolution revised at the meeting or any impromptu proposal at the meeting. A Member voting in such manner shall be deemed to have waived notice of, and the right to vote in regard to, any ad hoc resolution or amendment to the original agenda items to be resolved at the said general meeting. Should the chairman not observe the instructions of a Member in exercising such Member's voting right in respect of any resolution, the Shares held by such Member shall not be included in the calculation of votes in respect of such resolution but shall nevertheless be included in the calculation of quorum for the meeting.

- 19.7 A Member who has submitted a vote by written ballot or electronic transmission pursuant to Article 19.6 may, at least two days prior to the date of the relevant general meeting, revoke such vote by written ballot or electronic transmission and such revocation shall constitute a revocation of the proxy deemed to be given to the chairman of the general meeting pursuant to Article 19.6. If a Member who has submitted a written ballot or electronic transmission pursuant to Article 19.6 does not submit such a revocation before the prescribed time, the proxy deemed to be given to the chairman of the general meeting pursuant to Article 19.6 shall not be revoked and the chairman of the general meeting shall exercise the voting right of such Member in accordance with that proxy.
- 19.8 If, subsequent to submitting a written ballot or electronic transmission pursuant to Article 19.6, a Member submits a proxy appointing a person of the general meeting as his proxy to attend the relevant general meeting on his behalf, then the subsequent appointment of that person as his proxy shall be deemed to be a revocation of such Member's deemed appointment of the chairman of the general meeting as his proxy pursuant to Article 19.6.

## **20 Proxies**

- 20.1 An instrument of proxy shall be in writing, be executed under the hand of the appointor or of his attorney duly authorised in writing, or, if the appointor is a corporation under the hand of an officer or attorney duly authorised for that purpose. A proxy need not be a Member of the Company.
- 20.2 Obtaining an instrument of proxy for attendance of general meetings shall be subject to the following conditions:

- (a) the instrument of proxy shall not be obtained in exchange for money or any other interest, provided that this provision shall not apply to souvenirs for a general meeting distributed on behalf of the Company or reasonable fees paid by the Solicitor to any person mandated to handle proxy solicitation matters;
- (b) the instrument of proxy shall not be obtained in the name of others; and
- (c) an instrument of proxy obtained through solicitation shall not be used as a non-solicited instrument of proxy for attendance of a general meeting.

20.3 Except for the securities agent, a person shall not act as the proxy for more than thirty Members. Any person acting as proxy for three or more Members shall submit to the Company or its securities agent (a) a statement of declaration declaring that the instruments of proxy are not obtained for the purpose of soliciting on behalf of himself/herself or others; (b) a schedule showing details of such instruments of proxy; and (c) the signed or sealed instruments of proxy, in each case, five days prior to the date of the general meeting.

20.4 The Company may mandate a securities agent to act as the proxy for the Members for any general meeting provided that no resolution in respect of the election of Directors is proposed to be voted upon at such meeting. Matters authorized under the mandate shall be stated in the instructions of the instruments of proxy for the general meeting concerned. A securities agent acting as the proxy shall not accept general authorisation from any Member, and shall, within five days after each general meeting of the Company, prepare a compilation report of general meeting attendance by proxy comprising the details of proxy attendance at the general meeting, the status of exercise of voting rights under the instrument of proxy, a copy of the contract, and other matters as required by the R.O.C. securities competent authorities, and maintain the compilation report available at the offices of the securities agent.

20.5 Except for a Member appointing the chairman of a general meeting as his proxy through written ballot or electronic transmission in the exercise of voting power pursuant to Article 19.6, or for trust enterprises organized under the laws of the R.O.C. or a securities agent approved pursuant to Applicable Public Company Rules, in the event a person acts as the proxy for two or more Members, the sum of Shares entitled to be voted as represented by such proxy shall be no more than 3% of the total outstanding voting Shares immediately prior to the relevant book closed period; any vote in respect of the portion in excess of such 3% threshold shall not be counted. For the avoidance of doubt, the number of the Shares to be represented by a securities agent mandated by the Company in accordance with Article 20.4 shall not be subject to the limit of 3% of the total number of the outstanding voting Shares set forth herein.

- 20.6 The Shares represented by a person acting as the proxy for three or more Members shall not be more than four times of the number of Shares held by such person and shall not exceed 3% of the total number of the outstanding Shares.
- 20.7 In the event that a Member exercises his/her/its voting power by means of a written ballot or by means of electronic transmission and has also authorized a proxy to attend a general meeting, then the voting power exercised by the proxy at the general meeting shall prevail. In the event that any member who has authorised a proxy to attend a general meeting later intends to attend the general meeting in person or to exercise his voting power by way of a written ballot or electronic transmission, he shall, at least two days prior to such general meeting, serve the Company with a separate notice revoking his previous appointment of proxy. Votes by way of proxy shall remain valid if the relevant Member fails to revoke his appointment of such proxy before the prescribed time.
- 20.8 Each Member is only entitled to execute one instrument of proxy to appoint one proxy. The instrument of proxy shall be deposited at the Registered Office or at such other place as is specified for that purpose in the notice convening the meeting, or in any instrument of proxy sent out by the Company not less than five days before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote. In case that there are duplicate instruments of proxy received from the same Member by the Company, the first instrument of proxy received by the Company shall prevail, unless an explicit written statement is made by the relevant Member to revoke the previous instrument of proxy in the later-received instrument of proxy.
- 20.9 The instrument of proxy shall be in the form approved by the Company and be expressed to be for a particular meeting only. The form of proxy shall include at least the following information: (a) instructions on how to complete such proxy, (b) the matters to be voted upon pursuant to such proxy, and (c) basic identification information relating to the relevant Member, proxy and the Solicitor (if any). The form of proxy shall be provided to the Members together with the relevant notice for the relevant general meeting, and such notice and proxy materials shall be distributed to all Members on the same day.
- 20.10 In the event that a resolution in respect of the election of Directors is proposed to be voted upon at a general meeting, each instrument of proxy for such meeting shall be tallied and verified by the Company's securities agent or any other mandated securities agent prior to the time for holding the general meeting. The following matters should be verified:
- (a) whether the instrument of proxy is printed under the authority of the Company;
  - (b) whether the instrument of proxy is signed or sealed by the appointing Member; and

(c) whether the Solicitor or proxy (as the case may be) is named in the instrument of proxy and whether the name is correct.

20.11 The material contents required to be stated in the instruments of proxy, the meeting handbook or other supplemental materials of such general meeting, the written documents and advertisement of the Solicitor for proxy solicitation, the schedule of the instruments of proxy, the proxy form and other documents printed and published under the authority of the Company shall not contain any false statement or omission.

20.12 Votes given in accordance with the terms of an instrument of proxy shall be valid unless notice in writing was received by the Company at the Registered Office at least two days prior to the commencement of the general meeting, or adjourned meeting at which it is sought to use the proxy. The notice must set out expressly the reason for the revocation of the proxy, whether due to the incapacity or the lack in authority of the principal at the time issuing the proxy or otherwise.

20.13 A Member who has appointed a proxy shall be entitled to make a request to the Company or its securities agent for examining the way in which his instrument of proxy has been used, within seven days after the relevant general meeting.

20.14 If a general meeting is to be held outside of the R.O.C., the Company shall engage a professional securities agent within the R.O.C. to handle the voting by the Members.

In the event the Company has reached an agreement in regard to the purchase price with the requested Member in regard to the Shares of such Member (the "appraisal price"), the Company shall pay such price within ninety days after the date on which the resolution was adopted. In the event the Company fails to reach such agreement with the Member within sixty days after the resolution date, the Member may, within thirty days after such sixty-day period, file a petition to any competent court of the R.O.C. for a ruling on the appraisal price, and such ruling by such R.O.C. court shall be binding and conclusive as between the Company and requested Member solely with respect to the appraisal price.

- 32.3 The Directors may by power of attorney or otherwise appoint any person to be the agent of the Company on such conditions as the Directors may determine, provided that the delegation is not to the exclusion of their own powers and may be revoked by the Directors at any time.
- 32.4 The Directors may by power of attorney or otherwise appoint any company, firm, person or body of persons, whether nominated directly or indirectly by the Directors, to be the attorney or authorised signatory of the Company for such purpose and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under the Articles) and for such period and subject to such conditions as they may think fit, and any such powers of attorney or other appointment may contain such provisions for the protection and convenience of persons dealing with any such attorneys or authorised signatories as the Directors may think fit and may also authorise any such attorney or authorised signatory to delegate all or any of the powers, authorities and discretions vested in him.
- 32.5 The Directors shall appoint a chairman and may appoint such other officers as they consider necessary on such terms, at such remuneration and to perform such duties, and subject to such provisions as to disqualification and removal as the Directors may think fit. Unless otherwise specified in the terms of his appointment an officer may be removed by resolution of the Directors.
- 32.6 Notwithstanding anything to the contrary contained in this Article 32, unless otherwise permitted by the Applicable Public Company Rules, the Directors shall establish an audit committee comprised of all of the Independent Directors, one of whom shall be the

chairman, and at least one of whom shall have accounting or financial expertise to the extent required by the Applicable Public Company Rules. A resolution of the audit committee shall be passed by one-half or more of all members of such committee. The rules and procedures of the audit committee shall be in accordance with policies proposed by the members of the audit committee and passed by the Directors from time to time, which shall be in accordance with the Statute, the Memorandum, the Articles and the Applicable Public Company Rules and the instruction of the FSC or TPEX (or TWSE, as applicable), if any. The Directors shall, by a resolution, adopt a charter for the audit committee in accordance with these Articles and the Applicable Public Company Rules.

32.7 Any of the following matters of the Company shall require the consent of one-half or more of all audit committee members and be submitted to the board of Directors for resolution:

- (a) Adoption or amendment of an internal control system of the Company;
- (b) Assessment of the effectiveness of the internal control system;
- (c) Adoption or amendment of handling procedures for significant financial or operational actions, such as acquisition or disposal of assets, derivatives trading, extension of monetary loans to others, or endorsements or guarantees on behalf of others;
- (d) A matter where a Director has a personal interest;

- (i) The appointment or removal of a financial, accounting, or internal auditing officer;
- (j) Annual and semi-annual financial reports;
- (k) Any other matter so determined by the Company from time to time or required by any competent authority overseeing the Company.

Except for item (j) above, any matter under subparagraphs (a) through (k) of the preceding paragraph that has not been approved with the consent of one-half or more of the audit committee members may be undertaken only upon the approval of two-thirds or more of all

Directors, without regard to the restrictions of the preceding paragraph, and the resolution of the audit committee shall be recorded in the minutes of the Directors meeting.

32.8 The Directors shall establish a remuneration committee in accordance with the Applicable Public Company Rules. The number of members of the remuneration committee, professional qualifications, restrictions on shareholdings and position that a member of the remuneration committee may concurrently hold, and assessment of independence with respect to the members of the remuneration committee shall comply with the Applicable Public Company Rules. The remuneration committee shall comprise of no less than three members, one of which shall be appointed as chairman of the remuneration committee. The rules and procedures for convening any meeting of the remuneration committee shall comply with policies proposed by the members of the remuneration committee and approved by the Directors from time to time, provided that the rules and procedures approved by the Directors shall be in accordance with the Statute, the Memorandum, the Articles and the Applicable Public Company Rules and any directions of the FSC or TPEX (or TWSE, as applicable). The Directors shall, by a resolution, adopt a charter for the remuneration committee in accordance with these Articles and the Applicable Public Company Rules.

32.9 The remuneration referred in the preceding Article shall include the compensation, salary, stock options and other incentive payment to the Directors and managers of the Company. Unless otherwise specified by the Applicable Public Company Rules, the managers of the Company for the purposes of this Article 32.9 shall mean executive officers of the Company with the rank of Vice President or higher and have the powers to make decisions for the Company.

### **33 Seal**

33.1 The Company may, if the Directors so determine, have a Seal. The Seal shall only be used by the authority of the Directors or of a committee of the Directors authorised by the Directors. The use of Seal shall be in accordance with the use of Seal policy adopted by the Directors from time to time.

33.2 The Company may have for use in any place or places outside the Cayman Islands a duplicate Seal or Seals, each of which shall be a facsimile of the common Seal of the Company and kept under the custody of a person appointed by the Directors, and if the Directors so determine, with the addition on its face of the name of every place where it is to be used.

33.3 A person authorized by the Directors may affix the Seal over his signature alone to any document of the Company required to be authenticated by him under seal or to be filed with the Registrar of Companies in the Cayman Islands or elsewhere wheresoever.

#### **34 Dividends, Distributions and Reserve**

34.1 The Company shall reserve no less than 3% of its annual profit as employee bonuses, and no more than 3% of its annual profit as director bonuses, provided that the annual profit be used to offset the Company's accumulative deficits first.

The "annual profit" in the preceding paragraph shall be a sum equal to the Company's pre-tax profit before deduction of the aforementioned employee bonuses and director bonuses. The reservation of employee bonuses and director bonuses shall be approved by a majority of the board of Directors at a meeting attended by at least 2/3 of the Directors, and the decision of the Directors shall be reported to the Members at the general meeting. Employee bonuses may be distributed in shares (which may be distributed under an incentive programme approved pursuant to Article 11) or cash, and its distribution may include distribution to certain qualified employees of the Company's Subsidiaries. Any Director who also serves as an executive officer of the Company may receive a bonus in his capacity as a Director and a bonus as an employee.

If the Company records profit in any given year, it shall, in the following order, pay taxes for the relevant financial year, offset its losses in previous years that have not been previously offset, set aside a legal capital reserve at 10% of the profit left over, until accumulated legal capital reserve has equalled the total capital of the Company, and set aside a special capital reserve, if one is required, in accordance with the Applicable Public Company Rules or as requested by the authorities in charge. Any profit left over may be distributed, along with accumulative profits not yet distributed, pursuant to the distribution plan proposed by the board of Directors and approved by the Members by an Ordinary Resolution ("distributable profit"). Any such distributable profit may be distributed as Dividends (including cash dividends or stock dividends) in accordance with the Statute and the Applicable Public Company Rules and after the board of Directors taking into consideration financial, business and operational factors with the amount of Dividends distributed to Members not lower than 10% of distributable profit of the then current year, and the amount of cash dividends distributed thereupon shall not be less than 10% of the profits proposed to be distributed as Dividends of the then current year.

34.2 Subject to the Statute and this Article, the Directors may declare Dividends and distributions on Shares in issue and authorise payment of the Dividends or distributions out of the funds of the Company lawfully available therefor. No Dividend or distribution shall be paid except

out of the realised or unrealised profits of the Company, or out of the share premium account or as otherwise permitted by the Statute.

- 34.3 Except as otherwise provided by the rights attached to Shares, all Dividends shall be declared and paid in proportion to the number of Shares that a Member holds. If any Share is issued on terms providing that it shall rank for Dividend as from a particular date that Share shall rank for Dividend accordingly.
- 34.4 The Directors may deduct from any Dividend or distribution payable to any Member all sums of money (if any) then payable by him to the Company on any account.
- 34.5 The Directors may, after obtaining an Ordinary Resolution, declare that any distribution other than a Dividend be paid wholly or partly by the distribution of specific assets and in particular of shares, debentures, or securities of any other company or in any one or more of such ways and where any difficulty arises in regard to such distribution, the Directors may settle the same as they think expedient and fix the value for distribution of such specific assets or any part thereof and may determine that cash payments shall be made to any Members upon the basis of the value so fixed in order to adjust the rights of all Members and may vest any such specific assets in trustees as may seem expedient to the Directors.
- 34.6 Any Dividend, distribution, interest or other monies payable in cash in respect of Shares may be paid by wire transfer to the holder or by cheque or warrant sent through the post directed to the registered address of the holder. Every such cheque or warrant shall be made payable to the order of the person to whom it is sent.
- 34.7 No Dividend or distribution shall bear interest against the Company.
- 34.8 Any Dividend which cannot be paid to a Member and/or which remains unclaimed after six months from the date of declaration of such Dividend may, in the discretion of the Directors, be paid into a separate account in the Company's name, provided that the Company shall not be constituted as a trustee in respect of that account and the Dividend shall remain as a debt due to the Member. Any Dividend which remains unclaimed after a period of six years from the date of declaration of such Dividend shall be forfeited and shall revert to the Company.

## **35 Capitalisation**

Subject to Article 14.2(d), the Directors may capitalise any sum standing to the credit of any of the Company's reserve accounts (including share premium account and capital redemption reserve fund) or any sum standing to the credit of profit and loss account or otherwise available for distribution and to appropriate such sum to Members in the

proportions in which such sum would have been divisible amongst them had the same been a distribution of profits by way of Dividend and to apply such sum on their behalf in paying up in full unissued Shares for allotment and distribution credited as fully paid-up to and amongst them in the proportion aforesaid. In such event the Directors shall do all acts and things required to give effect to such capitalisation, with full power to the Directors to make such provisions as they think fit such that Shares shall not become distributable in fractions (including provisions whereby the benefit of fractional entitlements accrue to the Company rather than to the Members concerned). The Directors may authorise any person to enter on behalf of all of the Members interested into an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned.

### **36 Tender Offer**

Within seven days after the receipt of the copy of a tender offer application form and relevant documents by the Company or its litigation or non-litigation agent appointed pursuant to the Applicable Public Company Rules, the board of the Directors shall resolve to recommend to the Members whether to accept or object to the tender offer and make a public announcement of the following:

1. The types and amount of the Shares held by the Directors and the Members holding more than 10% of the outstanding Shares in its own name or in the name of other persons.
2. Recommendations to the Members on the tender offer, which shall set forth the names of the Directors who abstain or object to the tender offer and the reason(s) therefor.
3. Whether there is any material change in the financial condition of the Company after the submission of the latest financial report and an explanation of the change, if any.
4. The types, numbers and amount of the Shares of the tender offeror or its affiliates held by the Directors and the Members holding more than 10% of the outstanding Shares held in its own name or in the name of other persons.

### **37 Books of Account**

- 37.1 The Directors shall cause proper books of account to be kept with respect to all sums of money received and expended by the Company and the matters in respect of which the receipt or expenditure takes place, all sales and purchases of goods by the Company and the assets and liabilities of the Company. Proper books shall not be deemed to be kept if there are not kept such books of account as are necessary to give a true and fair view of the state of the Company's affairs and to explain its transactions.

- 37.2 The Directors shall from time to time determine whether and to what extent and at what times and places and under what conditions or regulations the accounts and books of the Company or any of them shall be open to the inspection of Members not being Directors and no Member (not being a Director) shall have any right of inspecting any account or book or document of the Company except as conferred by Statute or authorised by the Directors or by the Company in general meeting.
- 37.3 The Directors may from time to time cause to be prepared and to be laid before the Company in general meeting profit and loss accounts, balance sheets, group accounts (if any) and such other reports and accounts as may be required by law.
- 37.4 Minutes and written records of all meetings of Directors, any committees of Directors, and any general meeting shall be made in the Chinese language with an English translation. In the event of any inconsistency between the Chinese language version and the relevant English translation, the Chinese language version shall prevail, except in the case where a resolution is required to be filed with the Registrar of Companies of Cayman Islands, in which case the English language version shall prevail.
- 37.5 The instruments of proxy, documents, forms/statements and information in electronic media prepared in accordance with the Articles and relevant rules and regulations shall be kept for at least one year. However, if a Member institutes a lawsuit with respect to such instruments of proxy, documents, forms/statements and/or information mentioned herein, they shall be kept until the conclusion of the litigation if longer than one year.

## **38 Notices**

- 38.1 Notices shall be in writing and may be given by the Company to any Member either personally or by sending it by courier, post, cable, telex, or e-mail to him or to his address as shown in the Register of Members (or where the notice is given by e-mail by sending it to the e-mail address provided by such Member). Any notice, if posted from one country to another, is to be sent by airmail.
- 38.2 Where a notice is sent by courier, service of the notice shall be deemed to be effected by delivery of the notice to a courier company, and shall be deemed to have been received on the third day (not including Saturdays or Sundays or public holidays) following the day on which the notice was delivered to the courier. Where a notice is sent by post, service of the notice shall be deemed to be effected by properly addressing, pre paying and posting a letter containing the notice, and shall be deemed to have been received on the fifth day (not including Saturdays or Sundays or public holidays) following the day on which the notice was posted. Where a notice is sent by cable, or telex, service of the notice shall be

deemed to be effected by properly addressing and sending such notice and shall be deemed to have been received on the same day that it was transmitted. Where a notice is given by e-mail service shall be deemed to be effected by transmitting the e-mail to the e-mail address provided by the intended recipient and shall be deemed to have been received on the same day that it was sent, and it shall not be necessary for the receipt of the e-mail to be acknowledged by the recipient.

38.3 A notice may be given by the Company to the person or persons which the Company has been advised are entitled to a Share or Shares in consequence of the death or bankruptcy of a Member in the same manner as other notices which are required to be given under the Articles and shall be addressed to them by name, or by the title of representatives of the deceased, or trustee of the bankrupt, or by any like description at the address supplied for that purpose by the persons claiming to be so entitled, or at the option of the Company by giving the notice in any manner in which the same might have been given if the death or bankruptcy had not occurred.

38.4 Notice of every general meeting shall be given in any manner hereinbefore authorised to every person shown as a Member in the Register of Members on the record date for such meeting and every person upon whom the ownership of a Share devolves by reason of his being a legal personal representative or a trustee in bankruptcy of a Member of record where the Member of record but for his death or bankruptcy would be entitled to receive notice of the meeting, and no other person shall be entitled to receive notices of general meetings.

## **39 Winding Up**

39.1 If the Company shall be wound up, and the assets available for distribution amongst the Members shall be insufficient to repay the whole of the share capital, such assets shall be distributed so that, as nearly as may be, the losses shall be borne by the Members in proportion to the number of the Shares held by them. If in a winding up the assets available for distribution amongst the Members shall be more than sufficient to repay the whole of the share capital at the commencement of the winding up, the surplus shall be distributed amongst the Members in proportion to the number of the Shares held by them at the commencement of the winding up subject to a deduction from those Shares in respect of which there are monies due, of all monies payable to the Company. This Article is without prejudice to the rights of the holders of Shares issued upon special terms and conditions.

39.2 If the Company shall be wound up, the liquidator may, with the sanction of a Special Resolution of the Company and any other sanction required by the Statute and in compliance with the Applicable Public Company Rules, divide amongst the Members in

proportion to the number of Shares they hold the whole or any part of the assets of the Company in kind (whether they shall consist of property of the same kind or not) and may for that purpose value any assets and determine how the division shall be carried out as between the Members or different classes of Members. The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the Members as the liquidator, with the like sanction, shall think fit, but so that no Member shall be compelled to accept any asset upon which there is a liability.

**40 Financial Year**

Unless the Directors otherwise prescribe, the financial year of the Company shall end on 31st December in each year and, following the year of incorporation, shall begin on 1st January in each year.

**41 Transfer by way of Continuation**

If the Company is exempted as defined in the Statute, it shall, subject to the provisions of the Statute and with the approval of a Special Resolution, have the power to register by way of continuation as a body corporate under the laws of any jurisdiction outside the Cayman Islands and to be deregistered in the Cayman Islands.

**42 Litigation and Non-Litigation Agent in the R.O.C.**

Subject to the provisions of the Statute, the Company shall, by a resolution of the Directors, appoint or remove a natural person domiciled or resident in the territory of the R.O.C. to be its litigation and non-litigation agent in the R.O.C., pursuant to the Applicable Public Company Rules, and under which the litigation and non-litigation agent shall be the responsible person of the Company in the R.O.C. The Company shall report such appointment and any change thereof to the competent authorities in the R.O.C. pursuant to the Applicable Public Company Rules.

### Rules of Procedure for Shareholders Meetings

#### **Article 1**

To establish a strong governance system and sound supervisory capabilities for this Corporation's shareholders meetings, and to strengthen management capabilities, these Rules are adopted pursuant to Article 5 of the Corporate Governance Best-Practice Principles for TWSE/GTSM Listed Companies.

#### **Article 2**

The rules of procedures for this Corporation's shareholders meetings, except as otherwise provided by law, regulation, or the articles of incorporation, shall be as provided in these Rules.

#### **Article 3** (Convening shareholders meetings and shareholders meeting notices)

Unless otherwise provided by law or regulation, this Corporation's shareholders meetings shall be convened by the board of directors.

This Corporation shall prepare electronic versions of the shareholders meeting notice and proxy forms, and the origins of and explanatory materials relating to all proposals, including proposals for ratification, matters for deliberation, or the election or dismissal of directors or supervisors, and upload them to the Market Observation Post System (MOPS) before 30 days before the date of a regular shareholders meeting or before 15 days before the date of a special shareholders meeting. This Corporation shall prepare electronic versions of the shareholders meeting agenda and supplemental meeting materials and upload them to the MOPS before 21 days before the date of the regular shareholders meeting or before 15 days before the date of the special shareholders meeting. In addition, before 15 days before the date of the shareholders meeting, this Corporation shall also have prepared the shareholders meeting agenda and supplemental meeting materials and made them available for review by shareholders at any time. The meeting agenda and supplemental materials shall also be displayed at this Corporation and its shareholder services agent as well as being distributed on-site at the meeting place. The reasons for convening a shareholders meeting shall be specified in the meeting notice and public announcement. With the consent of the addressee, the meeting notice may be given in electronic form.

Election or dismissal of directors or supervisors, amendments to the articles of incorporation, the dissolution, merger, or demerger of the corporation, or any matter

under Article 185, paragraph 1 of the Company Act or Articles 26-1 and 43-6 of the Securities and Exchange Act shall be set out in the notice of the reasons for convening the shareholders meeting. None of the above matters may be raised by an extraordinary motion.

A shareholder holding 1 percent or more of the total number of issued shares may submit to this Corporation a written proposal for discussion at a regular shareholders meeting. Such proposals, however, are limited to one item only, and no proposal containing more than one item will be included in the meeting agenda. In addition, when the circumstances of any subparagraph of Article 172-1, paragraph 4 of the Company Act apply to a proposal put forward by a shareholder, the board of directors may exclude it from the agenda.

Prior to the book closure date before a regular shareholders meeting is held, this Corporation shall publicly announce that it will receive shareholder proposals, and the location and time period for their submission; the period for submission of shareholder proposals may not be less than 10 days.

Shareholder-submitted proposals are limited to 300 words, and no proposal containing more than 300 words will be included in the meeting agenda. The shareholder making the proposal shall be present in person or by proxy at the regular shareholders meeting and take part in discussion of the proposal.

Prior to the date for issuance of notice of a shareholders meeting, this Corporation shall inform the shareholders who submitted proposals of the proposal screening results, and shall list in the meeting notice the proposals that conform to the provisions of this article. At the shareholders meeting the board of directors shall explain the reasons for exclusion of any shareholder proposals not included in the agenda.

#### **Article 4**

For each shareholders meeting, a shareholder may appoint a proxy to attend the meeting by providing the proxy form issued by this Corporation and stating the scope of the proxy's authorization.

A shareholder may issue only one proxy form and appoint only one proxy for any given shareholders meeting, and shall deliver the proxy form to this Corporation before 5 days before the date of the shareholders meeting. When duplicate proxy forms are delivered, the one received earliest shall prevail unless a declaration is made to cancel the previous proxy appointment.

After a proxy form has been delivered to this Corporation, if the shareholder intends to attend the meeting in person or to exercise voting rights by correspondence or electronically, a written notice of proxy cancellation shall be submitted to this Corporation before 2 business days before the meeting date. If the cancellation notice is

submitted after that time, votes cast at the meeting by the proxy shall prevail.

**Article 5** (Principles determining the time and place of a shareholders meeting)

The venue for a shareholders meeting shall be the premises of this Corporation, or a place easily accessible to shareholders and suitable for a shareholders meeting. The meeting may begin no earlier than 9 a.m. and no later than 3 p.m. Full consideration shall be given to the opinions of the independent directors with respect to the place and time of the meeting.

**Article 6** (Preparation of documents such as the attendance book)

This Corporation shall furnish the attending shareholders or their proxies (collectively, "shareholders"), with an attendance book to sign, or attending shareholders may hand in a sign-in card in lieu of signing in.

This Corporation shall furnish attending shareholders with the meeting agenda book, annual report, attendance card, speaker's slips, voting slips, and other meeting materials. Where there is an election of directors or supervisors, pre-printed ballots shall also be furnished.

A shareholder shall attend a shareholders meeting on the basis of the attendance card, sign-in card, or other supporting document. Solicitors soliciting proxy forms shall also bring identification documents for verification.

When the government or a juristic person is a shareholder, it may be represented by more than one representative at a shareholders meeting. When a juristic person is appointed to attend as proxy, it may designate only one person to represent it in the meeting.

**Article 7** (The chair and non-voting participants of a shareholders meeting)

If a shareholders meeting is convened by the board of directors, the meeting shall be chaired by the chairperson of the board. When the chairperson of the board is on leave or for any reason unable to exercise the powers of the chairperson, the vice chairperson shall act in place of the chairperson; if there is no vice chairperson or the vice chairperson also is on leave or for any reason unable to exercise the powers of the vice chairperson, the chairperson shall appoint one of the managing directors to act as chair, or, if there are no managing directors, one of the directors shall be appointed to act as chair. Where the chairperson does not make such a designation, the managing directors or the directors shall select from among themselves one person to serve as chair.

It is advisable that shareholders meetings convened by the board of directors be attended by a majority of the directors.

If a shareholders meeting is convened by a party with power to convene but other than the board of directors, the convening party shall chair the meeting. When there are two or

more such convening parties, they shall mutually select a chair from among themselves. This Corporation may appoint its attorneys, certified public accountants, or related persons retained by it to attend a shareholders meeting in a non-voting capacity.

**Article 8** (Documentation of a shareholders meeting by audio or video)

This Corporation shall record the proceedings of a shareholders meeting in their entirety in audio or video and retain the recording for at least 1 year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the recording shall be retained until the conclusion of the litigation.

**Article 9**

Attendance at shareholders meetings shall be calculated based on numbers of shares. The number of shares in attendance shall be calculated according to the shares indicated by the attendance book and sign-in cards handed in plus the number of shares whose voting rights are exercised by correspondence or electronically.

The chair shall call the meeting to order at the appointed meeting time. However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than 1 hour, may be made. If the quorum is not met after two postponements and the attending shareholders still represent less than one third of the total number of issued shares, the chair shall declare the meeting adjourned.

If the quorum is not met after two postponements as referred to in the preceding paragraph, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Article 175, paragraph 1 of the Company Act; all shareholders shall be notified of the tentative resolution and another shareholders meeting shall be convened within 1 month.

When, prior to conclusion of the meeting, the attending shareholders represent a majority of the total number of issued shares, the chair may resubmit the tentative resolution for a vote by the shareholders meeting pursuant to Article 174 of the Company Act.

**Article 10** (Discussion of proposals)

If a shareholders meeting is convened by the board of directors, the meeting agenda shall be set by the board of directors. The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders meeting.

The provisions of the preceding paragraph apply mutatis mutandis to a shareholders meeting convened by a party with the power to convene that is not the board of directors. The chair may not declare the meeting adjourned prior to completion of deliberation on

the meeting agenda of the preceding two paragraphs (including extraordinary motions), except by a resolution of the shareholders meeting. If the chair declares the meeting adjourned in violation of the rules of procedure, the other members of the board of directors shall promptly assist the attending shareholders in electing a new chair in accordance with statutory procedures, by agreement of a majority of the votes represented by the attending shareholders, and then continue the meeting.

The chair shall allow ample opportunity during the meeting for explanation and discussion of proposals and of amendments or extraordinary motions put forward by the shareholders; when the chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed and call for a vote.

**Article 11** (Shareholder speech)

Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the chair.

A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail.

Except with the consent of the chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. If the shareholder's speech violates the rules or exceeds the scope of the agenda item, the chair may terminate the speech.

When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair and the shareholder that has the floor; the chair shall stop any violation.

When a juristic person shareholder appoints two or more representatives to attend a shareholders meeting, only one of the representatives so appointed may speak on the same proposal.

After an attending shareholder has spoken, the chair may respond in person or direct relevant personnel to respond.

**Article 12** (Calculation of voting shares and recusal system)

Voting at a shareholders meeting shall be calculated based the number of shares.

With respect to resolutions of shareholders meetings, the number of shares held by a shareholder with no voting rights shall not be calculated as part of the total number of issued shares.

When a shareholder is an interested party in relation to an agenda item, and there is the likelihood that such a relationship would prejudice the interests of this Corporation, that shareholder may not vote on that item, and may not exercise voting rights as proxy for any other shareholder.

The number of shares for which voting rights may not be exercised under the preceding paragraph shall not be calculated as part of the voting rights represented by attending shareholders.

With the exception of a trust enterprise or a shareholder services agent approved by the competent securities authority, when one person is concurrently appointed as proxy by two or more shareholders, the voting rights represented by that proxy may not exceed 3 percent of the voting rights represented by the total number of issued shares. If that percentage is exceeded, the voting rights in excess of that percentage shall not be included in the calculation.

### **Article 13**

A shareholder shall be entitled to one vote for each share held, except when the shares are restricted shares or are deemed non-voting shares under Article 179, paragraph 2 of the Company Act.

When this Corporation holds a shareholders meeting, it may allow the shareholders to exercise voting rights by correspondence or electronic means if the company applies to adopt electronic voting: When this Corporation holds a shareholder meeting, it shall adopt exercise of voting rights by electronic means and may adopt exercise of voting rights by correspondence). When voting rights are exercised by correspondence or electronic means, the method of exercise shall be specified in the shareholders meeting notice. A shareholder exercising voting rights by correspondence or electronic means will be deemed to have attended the meeting in person, but to have waived his/her rights with respect to the extraordinary motions and amendments to original proposals of that meeting; it is therefore advisable that this Corporation avoid the submission of extraordinary motions and amendments to original proposals.

A shareholder intending to exercise voting rights by correspondence or electronic means under the preceding paragraph shall deliver a written declaration of intent to this Corporation before 2 days before the date of the shareholders meeting. When duplicate declarations of intent are delivered, the one received earliest shall prevail, except when a declaration is made to cancel the earlier declaration of intent.

After a shareholder has exercised voting rights by correspondence or electronic means, in the event the shareholder intends to attend the shareholders meeting in person, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made known to this Corporation, by the same means by which the

voting rights were exercised, before 2 business days before the date of the shareholders meeting. If the notice of retraction is submitted after that time, the voting rights already exercised by correspondence or electronic means shall prevail. When a shareholder has exercised voting rights both by correspondence or electronic means and by appointing a proxy to attend a shareholders meeting, the voting rights exercised by the proxy in the meeting shall prevail.

Except as otherwise provided in the Company Act and in this Corporation's articles of incorporation, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders. At the time of a vote, for each proposal, the chair or a person designated by the chair shall first announce the total number of voting rights represented by the attending shareholders, followed by a poll of the shareholders. After the conclusion of the meeting, on the same day it is held, the results for each proposal, based on the numbers of votes for and against and the number of abstentions, shall be entered into the MOPS.

When there is an amendment or an alternative to a proposal, the chair shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required.

Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chair, provided that all monitoring personnel shall be shareholders of this Corporation.

Vote counting for shareholders meeting proposals or elections shall be conducted in public at the place of the shareholders meeting. Immediately after vote counting has been completed, the results of the voting, including the statistical tallies of the numbers of votes, shall be announced on-site at the meeting, and a record made of the vote.

**Article 14** (Election of directors and supervisors)

The election of directors or supervisors at a shareholders meeting shall be held in accordance with the applicable election and appointment rules adopted by this Corporation, and the voting results shall be announced on-site immediately, including the names of those elected as directors and supervisors and the numbers of votes with which they were elected.

The ballots for the election referred to in the preceding paragraph shall be sealed with the signatures of the monitoring personnel and kept in proper custody for at least 1 year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.

**Article 15**

Matters relating to the resolutions of a shareholders meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed by the chair of the meeting and a copy distributed to each shareholder within 20 days after the conclusion of the meeting. The meeting minutes may be produced and distributed in electronic form.

This Corporation may distribute the meeting minutes of the preceding paragraph by means of a public announcement made through the MOPS.

The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their results, and shall be retained for the duration of the existence of this Corporation.

**Article 16 (Public disclosure)**

On the day of a shareholders meeting, this Corporation shall compile in the prescribed format a statistical statement of the number of shares obtained by solicitors through solicitation and the number of shares represented by proxies, and shall make an express disclosure of the same at the place of the shareholders meeting.

If matters put to a resolution at a shareholders meeting constitute material information under applicable laws or regulations or under GreTai Securities Market regulations, this Corporation shall upload the content of such resolution to the MOPS within the prescribed time period.

**Article 17 (Maintaining order at the meeting place)**

Staff handling administrative affairs of a shareholders meeting shall wear identification cards or arm bands.

The chair may direct the proctors or security personnel to help maintain order at the meeting place. When proctors or security personnel help maintain order at the meeting place, they shall wear an identification card or armband bearing the word "Proctor."

At the place of a shareholders meeting, if a shareholder attempts to speak through any device other than the public address equipment set up by this Corporation, the chair may prevent the shareholder from so doing.

When a shareholder violates the rules of procedure and defies the chair's correction, obstructing the proceedings and refusing to heed calls to stop, the chair may direct the proctors or security personnel to escort the shareholder from the meeting.

**Article 18 (Recess and resumption of a shareholders meeting)**

When a meeting is in progress, the chair may announce a break based on time considerations. If a force majeure event occurs, the chair may rule the meeting

temporarily suspended and announce a time when, in view of the circumstances, the meeting will be resumed.

If the meeting venue is no longer available for continued use and not all of the items (including extraordinary motions) on the meeting agenda have been addressed, the shareholders meeting may adopt a resolution to resume the meeting at another venue.

A resolution may be adopted at a shareholders meeting to defer or resume the meeting within 5 days in accordance with Article 182 of the Company Act.

#### **Article 19**

These Rules, and any amendments hereto, shall be implemented after adoption by shareholders meetings.
